

Dear Resident.

Warwickshire Police recognise Neighbourhood Watch schemes play a vital and important role in preventing crime and helps people feel more secure in their community. As a consequence we offer our full support to the movement.

Neighbourhood Watch is one of the biggest and most successful crime prevention initiatives ever and the largest voluntary organisation in the country.

Visit the national **Neighbourhood & Home Watch** website for further information.

Website: www.mynhw.co.uk/

Getting together with your neighbours can prevent local crime and well-run schemes have big opportunities for crime reduction.

One of the best things about NHW is the flexibility of it. Schemes can be tailored to suit your local community needs.

The numbers of homes involved in a scheme can vary considerably. A scheme can consist of 10 – 15 homes, a complete block of flats, sheltered accommodation or just a couple of houses.

Each scheme is a community initiative supported by the police not run by them.
